

PERFECT PAIR

Custom Lip Balm - PRICELIST 03.24

Perfect Pair Ingredients: Avocado Oil & Beeswax

Perfect Pair lip balm consists of just two ingredients, plus essential oil, if you'd like to add flavor. Avocado Oil is well known for its stability and skin-nourishing qualities, yet it also protects the skin from wind and sun. Beeswax provides an antiseptic, protective barrier to maintain moisture. It blocks the sun while allowing the skin to breathe. Perfect. These two powerhouse ingredients do not require the use of preservatives; the lip balm will easily last for an entire year if kept away from heat and light. It tastes good with no flavor added, and also blends well with citrus, mint and other essential oils.
